OUR GUARANTEE

Sacred Source offers a full guarantee of satisfaction on all items, as well as the deep appreciation of our community in Calcutta for your patronage. Simply return any unsuitable item within 15 days for complete refund, credit, or exchange. Use the return form on the back of your invoice or download and print a return form online. Please note: Our photographs usually depict the finish you will receive, but because all our statues are handmade, finishes will occasionally vary.

About our Materials and Finishes

Hand painted Ganges clay statues are delicately finished using traditional methods and are not suitable for exposure to water and will dissolve if immersed. Gypsumstone is more durable and intended for indoor use only. Statues made from ResinPlus are suitable for outdoor use. The finish may weather over time. Cold cast bronze is a mixture of bronze powder, Ganges clay and resin. Many of our statues are a blend of resin and Ganges clay powder. All are given a beautiful hand finish.
